Rummage Sale Restrictions

By Rummage Committee

The spring rummage sale scheduled for March 29 and 30 seems a long time away, but rummage is already being dropped off at Canyon Lake Senior Center.

This is starting to cause storage problems so the Rummage Committee, like other non-profit organizations (see pages 12 -14 in AARP magazine's November's issue), we must become more selective about which items we can take.

Effective immediately, we will no longer accept bedroom, living room, and dining room furniture, large appliances, computer equipment, televisions, and exercise equipment. This is due to lack of storage.

Also, we will no longer be able to pick up rummage items for sale. If you want to donate anything, you must get it to the Center by your own means. Thank you for your understanding in this matter.

Cookie Sale – Best Ever!!!

By Millie Roland

Thanks, in part, to Royal Neighbors of America for making a donation of \$417 to the Canyon Lake Senior Center's Christmas cookie sale on December 10. We had the best sale ever! We need to give a lot of credit to the efforts of many members who gave generously of their time and talents! We had such a wonderful array of beautiful and tasty cookies, bars, breads, and candies. They just get prettier and tastier each year.

Many buyers also enjoyed the added convenience of shopping for Christmas decorations. This year we also had live entertainment that was enjoyed by all. Joe Bollwerk played the accordion and Rex Field played the harmonica! Thanks, guys.

Thanks also go to those who helped in the following ways: those who baked and/or bought cookies and other goodies, telephone committee, those who helped set up and take down after the sale, greeters, weighers, cashiers, cookie trays fillers, helpers in the kitchen, and those who donated cash instead of baking. Without all of your help, it never would have been such a great success.

Several shoppers expressed that this service truly is a blessing to them as they are no longer able to bake or don't have the time to do so. Thanks to our members for being this blessing to our community.

Fun and Fitness Night

By Jeanne Kirsch

Because of the many requests, we will be holding another Fun and Fitness Night in Canyon Lake Senior Center's Exercise Area on Monday, Jan. 9 at 6 p.m.

Instructors will be available to assist with the exercise machines. We will be doing group workouts again on the "Green Machines" which proved to be very popular during our first Fun and Fitness Night.

You don't have to be a member to participate in this event. Anyone 21 and over is welcome. Come and see what our Center has to offer to become a member.

If interest continues to grow, this will become a monthly event.
